Julie's Archers for Autism by

HONONEGAH ARCHERY

Inaugural Tournament and Fundraiser
benefiting the Autism Research Department @

Julie's Story

Julie Oster is an awesome 13-year-old girl who loves Princesses and singing along with Disney Cartoons! Julie was diagnosed with Autism when she was 2. Even though she is a sweet girl, Julie has trouble making new friends with teens who don't understand her Autism.

Julie's success with a bow at 8 years old inspired me to become a USA Archery Level III Junior Olympic Coach. When we began holding weekly classes Julie finally found her place as a member of a team! Her differences were accepted by fellow archers. Julie has been competing in archery from the same starting line as her mainstream peers for 5 years now!

Part of today's event is to introduce NASP and S3DA School Archery Teams for grades 3 - 12, so other kids like Julie can have a chance to join a school sports team here in the State-line area!

"Archery is fun and even kids with disabilities like Autism can do archery!"

- Julie Oster, 13 @ the 2018 Stephen Mack Middle School Talent Show in Rockton, IL

Julie's Archers for Autism

Julie took part in three different multi-year Autism Research Studies conducted at the University of Wisconsin Waisman Center. In 2017 when Hononegah Archery became a non-profit, our Board voted the Waisman Center as our primary cause to sponsor.

Weekly Archery Classes

Our classes are for **ages 8 to Adult**. Parents encouraged to join their students! **All archery equipment is provided.** Our 5 one-hour class punch card is \$100.

Archery Gym Units and Teams

We can bring our Mobile Archery Range and equipment to your school! Classes may be held outside, or in your Gym with our 10' x 30' arrow safety net. Cost is determined by participation, averages \$20 per student for a 2 or 3-hour archery unit. We can also license your teachers for competitive co-ed archery teams at your school! Earn college scholarship money shooting a bow!

We encourage students and adults with disabilities to join our regular weekly classes!

Thank you event sponsors!
