## Longbow Archery Range

Our longbow range offers your visitors a unique opportunity to try primitive archery! When we set up at a reenactment we draw the longest lines and are always mentioned in surveys as a favorite public attraction! Our insured instructors have trained under the 1996 USA Men's Olympic Archery Coach among other archery professionals.

## Traditional Equipment

We have taken the time to research period correct archery equipment for juried events. Our longbows are in the 20# draw range so even young history fans are safe to shoot! Our hand-crafted arrows are made of Port Orford Cedar, with self nocks and sinew wrapped turkey feathers!

## Booshway Archery Review

*"Over 1,900 people attended the event on September 8<sup>th</sup> & 9<sup>th</sup>, and 847 students participated in the School Day program on September 7<sup>th</sup>. The students on School Day this year were enthralled with the archery demonstration in our camp. The public also had a blast over the weekend trying it out themselves; even Toni Preckwinkle, our Cook County Board President, and her grandkids went over to the archery camp and stayed for quite a while. Jeremy's camp was set up safely with fencing and a curtain with the beautiful Des Plaines River as a backdrop."*

## Available for Hire

The Hononegah Archery Family are members of the Macktown Historical Society and volunteer at the "Gathering" and "French Frolic."

Our traveling range is a professional form of entertainment and we do charge for Rendezvous away from home. Our standard rate is \$300 for Saturday, \$300 for Sunday, plus excessive travel expenses and camping. We offer student days at no charge because that's the whole reason we do this, just like you!
